EMS Virtual Grand Rounds

"Tele-Trauma & Tele-Burn: Expanding Access & Expertise in the Field"

Presented by
Dr. Trace Walker

Join Us for EMS Virtual Grand Rounds!
We're presenting a can't-miss session featuring Acute Care Trauma Surgeon, Trace Walker, MD from Grady's renowned Marcus Trauma Center.

This session will cover prehospital tele-trauma and tele-burn services, transport decisions, targeted efficiency of transfer resources with a focus on rural EMS systems, and how implementation of tele-trauma and burn could impact the state. We will discuss prehospital care, transport decisions, transfer challenges, and more!

What's in it for you?

- Gain confidence in understanding tele-trauma and tele-burn services and their impact on patient care.
- Learn insights that elevate your practice and improve patient outcomes.

Register now to secure your place and take the next step in your professional growth!

We look forward to having you attend the event!
