Grady

EMS Virtual Grand Rounds

"The Silent Epidemic of Intimate Partner Violence in our Patients and Profession"

Presented by
Dr. Christine Castater

Join Us for EMS Virtual Grand Rounds!
We're presenting a can't-miss session featuring acute care trauma surgeon, Christine Castater, MD, MBA from Grady's renowned Marcus Trauma Center.

This session will cover intimate partner violence (IVP), exploring the prevalence, warning signs, health consequences, and barriers to disclosure with a focus on the role that EMS and nursing professionals play in identifying and supporting victims. The webinar will examine the impact of IVP in our patients and within the healthcare workforce through case-studies and discussion.

What's in it for you?

- Recognize intimate partner violence and promote safety for both patients and colleagues.
- Learn insights that elevate your practice and improve outcomes.
